## AT A GLANCE

**42,000**

42,000 students in UESTC

**3,800**

Over 3,800 UESTC staff  
(including nearly 700 professors)

**1,000**

Around 1,000 international students from over 100 countries

**150**

UESTC Ranks Top 150 in the Academic Ranking of World Universities

**8**

8 National Key Laboratories

**38**

38 majors enrolling international students

**1956**

Founded by the merging of electrical departments from 3 top engineering universities in China by then

**1997**

Admitted into Project 211

**2001**

Admitted into Project 985 (Top 39)

**2017**

Included as one of the "Double First-class" universities (Top 36)

## ◎ Graduate Programs List

15 Master Programs & 13 Ph.D. Programs

Degree Type	Major	Master	Ph.D.
Engineering	Electronic Science and Technology	★	★
	Information and Communication Engineering	★	★
	Computer Science and Technology	★	★
	Optical Engineering	★	★
	Software Engineering	★	★
	Biomedical Engineering	★	★
	Mechanical Engineering	★	★
	Instrument Science and Technology	★	★
	Control Science and Engineering	★	★
	Materials Science and Engineering	★	★
Science	Electrical Engineering	★	
	Physics	★	★
Management	Mathematics	★	
	Management Science and Engineering		★
	Business Administration		★
	Public Management	★	
Art	Foreign Language and Literature	★	

## ◎ Eligibility

Program	Age & Health	Education Background	Language (English instructed)	Language (Chinese instructed)
Master	≤ 35, physically & mentally healthy	Bachelor degree Certificate	TOEFL 80, IELTS 5.5 or equivalent	HSK6≥180
Ph.D	≤ 40, physically & mentally healthy	Master degree Certificate		

## ◎ Application Time

December 1st to March 1st  
Only Autumn Semester Intake is Available.

## ◎ Introduction

Based on the advantageous educational resources, the UESTC international Pre-University Program provides (12-23)-week intensive courses to international students who have graduated from high school and are interested in pursuing undergraduate degrees at UESTC. The Pre-University training provides international students five modules such as Chinese language learning, cultural adaptation, and undergraduate integrations in double first-class university. After the preparatory study, international students who pass the assessment and meet UESTC admission standards can directly enter the undergraduate program.

## ◎ Teaching Objectives

- ★ Provide the tailored counseling guidance for international students
- ★ Helps the international students accomplish their study at UESTC
- ★ Improve the international students' understanding of Chinese education and culture
- ★ Helps the international students complete the language and study adaptation process

## ◎ Curriculum

Training period: Spring semester (March-July)

Autumn semester (September-January)

Training content: Chinese language, Mathematics, Physics, Foundational courses of the major, Cultural Adaptation lectures, Cultural Immersion Activities

## ◎ Eligibility

- ★ Non-Chinese citizens who are 18 years of age or older
- ★ A high school education or equivalent
- ★ Physically and mentally health

## ◎ Application Time

All Year

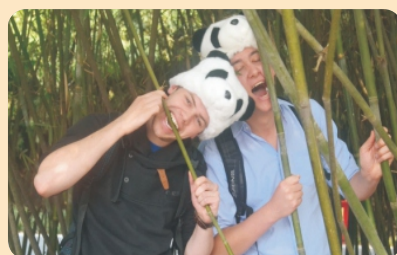

## ◎ Introduction
