电子科技大学

University of Electronic Science and Technology of China

UESTC
AT A GLANCE

40,000
40,000 students in UESTC (including undergraduates, masters and Ph.D Candidates.)

3,800
3,800 UESTC staff (2,500 faculty members, 660 professors)

1,000
Around 1,000 international students from over 100 countries

344
4 campuses with 344 acres' construction area

4
4 State Key Laboratories of electronic information science & technology

1956
Founded by the merging of electrical departments from 3 top engineering universities in China by then

1997
Admitted into Project 211 (top 100)

2001
Admitted into Project 985 (top 39)

2017
Included as one of the "Double First-class" universities (top 36)

PRE-UNIVERSITY PROGRAM

◉ Introduction

Based on the advantageous educational resources, the international Pre-University Program of University of Electronic Science and Technology of China (UESTC) provides 12-32 weeks intensive training for international students who have graduated from high school and are interested in pursuing undergraduate degrees at UESTC.

The Pre-University training provides international students five modules such as Chinese language learning, cultural adaptation, and undergraduate integrations in "Double First-class University". After the preparatory study, international students who pass the assessment and meet UESTC admission standards can directly enter the undergraduate program.

◉ Teaching Objectives

We are aiming to provide the tailored counseling guidance for international applicants, which help them accomplish their study at UESTC, to improve their understanding of Chinese education and culture, and help them successfully complete the language and study adaptation process.

◉ Curriculum

Training period: Spring semester (March-July)

Autumn semester (September-January)

Training content: Chinese language Mathematics Physics Foundation courses of the major, Cultural Adaptation lectures, Cultural Immersion Activities.

◉ Eligibility

★ Non-Chinese citizens who are 18 years of old or above
★ A high school education or equivalent
★ Physically and mentally healthy

◉ Application

• http://admission.uestc.edu.cn :

Select "ONLINE APPLICATION" → "Application" → "Self-sponsored" →"Pre-University Program"

CHINESE LANGUAGE PROGRAM

⊙ Introduction

UESTC Chinese study program provides international students a diverse range of Chinese language and culture courses, which helps the students gain skills necessary for living in China, pursuing degree, and communicating effectively in Chinese-medium workplaces.

⊙ Classes for the Prospective Learners

Elementary Level: Beginner

Intermediate Level: Chinese language level is above HSK3

Advanced Level: Chinese language level is above HSK5

⊙ Courses

Courses are composed of three categories: **language, culture, and practice.**

Chinese Language: Chinese Listening & Speaking, Reading & Writing

Culture and Tradition: Selected Lectures on Traditional Chinese Culture, Chinese Society, Chinese Folk Custom

Language Practice: social investigation and other teaching & competition activities outside the classroom teaching.

⊙ Eligibility

1.Ages: 18-65, non-Chinese citizen;

2.Physically & mentally healthy;

3.Senior high school diploma or above

⊙ Application

• http://admission.uestc.edu.cn :

Select "ONLINE APPLICATION"→ "Application"→ "Self-sponsored"→"Chinese language Student"

You can choose either a semester program or an academic year program of two semesters.

COST & FINANCIAL AID

◉ Fee Structure

Fees	Category		Term and Majors	Cost
Application	All Applicants (Non-refundable)			¥ 420
Tuition	Undergraduate		Chinese Instructed	¥ 15,000 /year
			English Instructed	¥ 20,000 /year
	Master			¥ 25,000 /year
	Ph.D			¥ 34,000 /year
	Language		Chinese Language	¥ 14,000 /year
	Pre-University			¥ 10,000 /semester
Dormitory	Single Room (For PhD students)			¥ 12,000 /year
	Double Room (Two in a room)			¥ 6,000 /year
Medical Insurance				¥ 800 /year
Residence Permit				¥ 400 /year
Meals				¥1,000-1,500 /month

◉ Scholarships

★ **Chinese Government Scholarship (CSC Scholarship)**

- **Chinese University Program:**
  Available for graduate applicants.
- **Bilateral Program:**
  Directly apply to the Chinese Embassy.
- **Special Scholarship Programs:**
  Including EU/AUN/PIF/Great Wall Program.

★ **Chengdu Sister City Scholarship**

  Available for undergraduate and graduate applicants from the Sister Cites of Chengdu.

★ **Chengdu the Belt and Road Initiative Scholarship**

  Available for undergraduate and graduate applicants from the Belt and Road Initiative countries.

★ **University Scholarship -the Belt and Road Initiative Scholarship**

  Including full and partial scholarship. Available for graduate applicants.

Application

How to Apply

01 Register your account and activate it in http://admission.uestc.edu.cn

02 Fill out your application online and submit before the deadline (Please note your application Number)

03 Check your Application Status and Inbox online regularly

04 Pass the **Initial Review (Documents Review)**, then **pay the application fee**

05 Pass the **Academic Review**, then reply to "admission @uestc.edu.cn" on the **Conditional Acceptance Notice**

06 Receive the Admission Letter and JW201/JW202 form by EMS/DHL

07 Apply for student VISA (X VISA) at the Chinese Embassy or Consulate General

Application Period

★	Undergraduate Program	January 1st - June 30th
★	Graduate Program	December 1st - March 1st
★	Chinese Language & Pre-University Program	All Year
