Why Study at School of Public Affairs and Administration, UESTC

Brief on UESTC

UESTC is a national key multidisciplinary university specialized in electronic engineering and information science and technology with a harmonious integration of science, engineering, management and liberal arts. UESTC is a key university of the State’s “985 Project” and “211 Project”. In September 2017, UESTC was once again selected as one of “Double First-Class” initiative universities (top 36 universities participating in China’s construction plan of world-class universities and first-class disciplines). UESTC has made great contributions to China’s economic development, and IT development.

UESTC is among the Top 300 on Academic Ranking of World Universities.

Featured Internationalization

Full time Professor and Adjunct Professors from Abroad
The school has developed academic exchanges worldwide with internationalization as one of our priority strategies. We have invited up to 14 world well-known peer specialists and scholars as our full time professor and adjunct professors.

The Short Term Exchange Programs

University of East London Summer Program

The City University of New York Winter Program
International Summer Schools

International Summer School for Undergraduates

Initiated in the summer of 2015, a two-week International Summer School program has been designed by UESTC. This program aims to broaden the international visions, comprehend academic frontiers and experience diversified cultures by attending the courses delivered by the invited distinguished scholars.

Postgraduate Humanity Education and Academic Exchange Program

As implemented by UESTC graduate school, June is the Postgraduate Humanity Education and Academic Exchange Month for Graduates, aiming to help students improve humanistic quality, learn about academic frontiers.
**Featured Internationalization**

**International Conference on Public Administration (ICPA)**  
Co-sponsored by the American Society for Public Administration (ASPA) and the Chinese Public Administration Society (CPAS), SPAA has been dedicated to annual International Conference on Public Administration (ICPA) since 2005, which “has gradually developed into a worldwide academic event with large scale, high level influence in the international field of public administration” (cited from PA Times January 2011 by ASAP). ICPA has served as an important platform for PA scholars, practitioners and students globally, whose proceedings have been collected by ISI Web of Knowledge since 2005 ICPA annually.

Over the past years, we have alternated the ICPA venue: University of Electronic Science and Technology of China (2005, 2007, 2009, 2011, 2014, 2018), University of Warwick in **United Kingdom** (2006), University of Minnesota in USA (2008), Australian National University in **Australia** (2010), Osmania University in **India** (2012), Cape Peninsula University of Technology (CPUT) in **South Africa** (2013), Padjadjaran University in **Indonesia** (2015), University of Ghana & Ghana Institute of Management and Public Administration (GIMPA) in **Ghana** (2017). These conferences have witnessed developments both in the theory and practice of public administration and their extensive application across the globe.
II Introduction to Master Program in Public Management for International Students

- Duration: 2 years full-time
  The duration set for master candidates is 2-4 years full-time. An extension can be applied for by those who cannot finish their courses in time owing to objective causes, yet altogether 4 years is the last due.

- Supervisor Duty Mechanism
  The supervisor responsibility mechanism is adopted in the education for international master candidates. The supervisor is responsible for the student’s making of personal study plan, the choice of courses, and the completion of the research report or the degree thesis.

- Courses for International Students

  - Government and Media —— Lecturer: Associate Professor Wang Li
Featured UESTC- UEL Double Degree Master’s Program in Public Management & International Public Policy

Students who study at SPSPAA do not only have the opportunity to experience the rich Chinese culture but are offered the possibility of benefiting from our Double Degree master’s program with University of East London (UEL), United Kingdom to develop a truly global mindset and international management competence.

Under tuition fee waiver package, qualified students can now benefit from our Double Degree master’s program with University of East London (UEL), UK. Such students would have the first year of their studies in Public Management at UESTC and proceed to pursue International and Comparative Public Policy at UEL during the second year with classmates from around the world. Upon successfully completion, such students would receive two certificates (Master’s Degree Certificate in Public Management from UESTC and MSc in International and Comparative Public Policy from UEL). This is an awesome opportunity you should not miss! Qualified students who gain admission might be fully financed through our scholarship programs.
